THE COURT SYSTEM **EXPLAINED**

Paul Mulroney, a Magistrate from Campbelltown Children's Court will explain the court system. There are times Carers find it difficult to understand the decisions that have been made for the children they care for. This session could assist you in understanding how the system operates.

Paul will also present the information regarding "being a party to the proceedings". Maybe you have been asked to be involved in this procedure.

The role of the "Court Clinician" will also be explained.
