

RESPONDING to a CHILD'S DISCLOSURE

and

MAKING an 'EFFECTIVE REPORT'

Many of the children that come into care have been physically or sexually abused and may '**disclose**' to you, your children, or other foster children in your care. This session will assist you, the **Carer**, to manage this situation so it protects yourself and the other children without **contaminating** the evidence.

Presented by... **RITA DAHER**

Rita is very experienced in the Child Protection area where she worked for many years in evidence gathering and court work.

Rita has the experience to assist carers with this important subject.
